# Hi!

A Vacation Photographer is the best way to make your travel memories special and to treasure timeless experiences.

Photography is a record of your living, for anyone who really lives and travels. If you want to immortalize your vacation, your honeymoon, a special trip with friends of the heart, your proposal day, your pregnancy, your renewal of vows trip, we will be there for you.

# PIX AROUND FIDELITY PROGRAM

It's great to work together to create beautiful memories!  
To reward your loyalty we created the **Pix Around Fidelity Program** that will help you increase your commission on every confirmed photo shoot within the year.

After **10 confirmed** bookings your commission will increase to **15%\***  
After **20 confirmed** bookings your commission will increase to **20%\***

The program includes all confirmed bookings for your customers and Gift Cards.

- \* *Personal photo shoots are not included in the Pix Around Fidelity Program*
- \* *15% and 20% will be recognized only for Standard and Deluxe services*

## Destination Weddings

Destination weddings offer a stunning backdrop for your client's special day, and a skilled photographer can capture the beauty and romance of the setting. By booking a photographer early, the client can also discuss about the vision for the wedding day and ensure that they understand the location and any specific requirements the client may have. This communication is essential for getting the best possible photos of your client's wedding.

## Video shooting

Imagine being able to watch your loved ones laughing, moving, and interacting in real-time. It's a beautiful way to preserve the essence of the moment and bring it back to life whenever you want.

Video shooting can enhance your photography experience and help you create a more dynamic and engaging visual story. So next time you book a photography session, consider adding a video shooting to truly relive those special moments.

## Video reel

A reel is a fun and engaging way to showcase the highlights of your photoshoot. By watching a reel, you can revisit the best moments and emotions captured during your session. It's a great way to remember special memories from your photoshoot and share your story to the next level leaving all your followers breathless. So, consider creating a reel video to bring your photoshoot to life again!

## HIGH QUALITY PRINTS

The clients can take home not just memories, but real emotions, by printing their photos directly from the gallery.

We offer an incredible selection of prints and materials, all of the highest quality: **albums, frames, prints, greeting cards, canvases, ornaments, calendars** and more.

Each print and album can be customized to clients unique taste: they can choose the material, size and layout that best tells their story. And client will never be alone in this creative journey: our staff will always be on hand, ready to listen and support you every step of the way.

## SPECIAL 20% DISCOUNT FOR PRINTS

Save money on printing your personal photos.

**In addition, every gallery of your clients will be visible to you and you can use the same discount to create fantastic gifts for them.**
